## CHAIRMAN'S CORNER

Dear ASIS members

Let me begin this message by congratulating the Boston Chapter for a wonderful display and excellent program in April. These folks work very hard and show themselves as an example of dedication to their organization. To coordinate such an event is very difficult and everyone there deserves our applause.

The Providence Chapter is small but not dead. There a number of active participants in the organization and those few continue to trumpet the message and the fraternity of ASIS. It is our profound wish that more become involved and help make this a vibrant and healthy group with any eye on helping one another in our business and personal pursuits.

Our meeting at the URI Providence Campus will commence on May 17, 2007 at 11:30 AM. The special agenda item is the awarding of the Chapter Educational Assistance money to three qualified recipients. Anything we can do for the young people looking to have a profession in public safety are a noble pursuit and we should all be very proud. We hope for a good turnout.

Dick Fascia will host the June gathering on the 21 of June at Crossroads RI located at the intersection of Broad Street and Service Road 7.

Respectfully,  
Michael D. Brugnoli  
Chapter Chair
